

Any groom for improvement?

You'll never see a groom's hair in a better condition than his wedding day. It's not that he'll wash his hair every day or that he'll use hair conditioner and great shampoos.

1. **Wash your hair last up before the bride**

Washing your hair right before the ceremony is the most important thing you can do to make sure your hair is in the best condition for the day. Wash your hair with a good shampoo and conditioner, and use a good hairbrush. www.wedding.com
